The council then considered the following application:

**DC/17/1598 6 Coombe Drove Bramber**

**Proposed erection of two rear storey extension and removal of existing front bay window**

Having consulted the plans councillors were in agreement that there should be no objections to them.

**5. Any Other Planning Business**

a) New BW to connect to BW 2059. Councillor Potter reported that he had received a phone call from Patricia Butcher from the British Horse Society that the cost of the new fence would be in the region of £1000. The Society had agreed to fund a large proportion of the cost providing the Council made a contribution to endorse support. Having agreed in principle at the full council meeting it was proposed by Councillor Croker that the council contribute £200 providing that this is legally agreed. This was seconded by Councillor Goddard and agreed.

b) Neighbourhood Plan. Councillor Potter reported that Wiston had now withdrawn from the SWAB plan and that this will now require the plan to be re-designated. It was decided to wait until the next council meeting to make a decision for Bramber and it is hoped that Ashurst will have also made a decision by this time.
