Minutes: Cllr R Potter

MINUTES

1. Apologies for Absence

Apologies were received and accepted from Cllrs Kitson, Goodall, Green and Croker.

2. Declarations of Interest

None for this meeting.

3. Questions from the Public

No members of the public present

4. Planning Applications

The council considered the following applications:

DC/18/0293 1 Castle Close, Bramber- Garage

- Bramber Parish Council would have no objection to the detached garage if it were being used solely for private, residential purposes. However, the Council are concerned about the seeming use of the garage for business purposes in this residential Close and request advice from HDC Planning on this matter as they would have objected to an application for business use.
- Bramber Parish Council are also very concerned about Mr Whistlers comments regarding the cameras attached to the extension to the bungalow which overlook his garden. In particular from a personal privacy aspect and would have made this point had an application been made for the extension.

The Councils objection was **proposed** by Councillor Goddard and **seconded** by Councillor Bignell. **Agreed.**

DC/18/0445 St Mary's Lodge, The Street, Bramber

Bramber Parish Council have no objection to this application

Proposed by Councillor Stubbs and **seconded** by Councillor Tilley. **Agreed.**

DC/18/0378 Chantry, Sopers Lane, Bramber – construction of raised terrace to rear of dwelling.

As this application was a late entry to the agenda it was decided to defer it to the next Planning Meeting to enable Council members to inspect the proposal before commenting.

The meeting closed at 7.45 p.m.
